

# Weekly Choice Board

**Date:** March 30-April 3

In Seesaw, copy and complete <b>“Walk Around the Neighbourhood”</b> math activity. @30 minutes	Design a new book cover for your favourite book. Be sure to include the title and author. @30minutes	In Seesaw, watch the video on Adding 2 digits with 2 digits to learn how to add larger numbers and work on the practice pages. @30 minutes
Go to the Lakeview website and then to Storyline Online to read some new picture books. @30 minutes	In your writing journal, answer the question: <b>“How did you feel about NOT going back to school?”</b> Remember to write using capitals and periods. @30 minutes	Look through a magazine or newspaper and circle all the words that are from the March 27 <sup>th</sup> spelling list. @30 minutes
On the Lakeview website, go to Language Arts and find <b>“Teach Your Monster to Read”</b> and do an activity. @30 minutes	Go for a walk with your family and make a guess on how many birds you expect to see. Then count how many birds you do see. @30 minutes	Go to the Lakeview website and log onto Prodigy and play! Your login for the site is what I sent you by Remind. @30 minutes

## Reminders:

- Please post responses on Seesaw Portfolio.
- Additional activities can be found at the Lakeview Website under the teacher’s name.
- Feel free to contact me via Remind or Email if you have any questions.

## In Addition to Choices:

- Students are encouraged to read for 20 minutes each day.
- Students are encouraged to have 30 minutes of outdoor and indoor play each day (check links to resources on provided websites).
