

Weekly Choice Board

Date: April 20 – 24

<p>Review 2 digits adding and subtracting questions. In Seesaw, complete the math test on your own and send it to me for marking.</p>	<p>On Seesaw, listen to the story on Humphrey, the Lost Whale. By reading the instructions, finish the attached template activity that goes along with the story.</p>	<p>Watch the Lakeview video, Going on a Bear Hunt again and complete the activities Ms. Quinn-Ost wrote down that are on our Seesaw site.</p>
<p>A retell is where you would describe a story in your own words. In Seesaw, look at setup for the Humphrey retell. Then write your Humphrey retell. Remember as many details as you can for each part of the story. Also, make sure you have good sentence structure, capitals and periods. Have your family email me your retell when you are done.</p>	<p>On Seesaw, find the Basic Fact Math Game and play on your own or challenge a family member.</p>	
	<p>Work on a puzzle with your family. Pay attention to the sizes and shapes of your puzzle pieces.</p>	

Reminders:

- Please post responses on Seesaw Portfolio.
- Additional activities can be found at the Lakeview Website under the teacher's name.
- Feel free to contact me via Remind or Email if you have any questions.

In Addition to Choices:

- Students are encouraged to read for 20 minutes each day.
- Students are encouraged to have 30 minutes of outdoor and indoor play each day (check links to resources on provided websites).
